

Lockers

TBL18S

Economy Range

Securabike's most cost effective bicycle locker. This design is supplied in knock down kit form. It uses a tubular steel frame that clips together. The door and cladding are then attached by pop rivets. Quick and easy to assemble and install.

SUITABLE FOR STACKING TWO HIGH

Material Specifications (General)	
TBL18S	25 x 25mm RHS steel frame 0.8mm galvanised metal sheet
Finish	Galvanised or powder coated in a range of colours
